RISK DISCLOSURE STATEMENT FOR FUTURES & OPTIONS Please make a copy for your records

This brief statement does not disclose all of the risks and other significant aspects of trading in futures and options. In light of the risks, you should undertake such transactions only if you understand the nature of the contracts (and contractual relationships) into which you are entering and the extent of your exposure to risk. Trading in futures and options is not suitable for many members of the public. You should carefully consider whether trading is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances.

Futures

1. *Effect of 'Leverage' or 'Gearing'.* Transactions in futures carry a high degree of risk. The amount of initial margin is small relative to the value of the futures contract so that transactions are 'leveraged' or 'geared'. A relatively small market movement will have a proportionately larger impact on the funds you have deposited or will have to deposit: this may work against you as well as for you. You may sustain a total loss of initial margin funds and any additional funds deposited with the firm to maintain your position. If the market moves against your position or margin levels are increased, you may be called upon to pay substantial additional funds on short notice to maintain your position. If you fail to comply with a request for additional funds within the time prescribed, your position may be liquidated at a loss and you will be liable for any resulting deficit.

2. *Risk-Reducing Orders or Strategies.* The placing of certain orders (e.g. 'stop-loss' orders, where permitted under local law, or 'stop-limit' orders) which are intended to limit losses to certain amounts may not be effective because market conditions may make it impossible to execute such orders. Strategies using combinations of positions, such as 'spread' and 'straddle' positions may be as risky as taking simple 'long' or 'short' positions.

Options

3. *Variable Degree of Risk.* Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarize themselves with the type of option (i.e. put or call) which they contemplate trading and the associated risks. You should calculate the extent to which the value of the options must increase for your position to become profitable, taking into account the premium and all transaction costs.

The purchaser of options may offset or exercise the options or allow the options to expire. The exercise of an option results either in a cash settlement or in the purchaser acquiring or delivering the underlying interest. If the option is on a future, the purchaser will acquire a futures position with associated liabilities for margin (see the section on Futures above). If the purchased options expire worthless, you will suffer a total loss of your investment which will consist of the option premium plus transaction costs. If you are contemplating purchasing deep-out-of-the-money options, you should be aware that the chance of such options becoming profitable ordinarily is remote.

Selling ('writing' or 'granting') an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavorably. The seller will also be exposed to the risk of the purchaser exercising the option and the seller will be obligated to either settle the option in cash or to acquire or deliver the underlying interest. If the option is on a future, the seller will acquire a position in a future with associated liabilities for margin (see the section on Futures above). If the position is 'covered' by the seller holding a corresponding position in the underlying interest or a future or another option, the risk may be reduced. If the option is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

Additional Risks Common to Futures and Options

4. *Terms and Condition of Contracts.* You should ask the firm with which you deal about the term and conditions of the specific futures or options which you are trading and associated obligations (e.g. the circumstance under which you may become obligated to make or take delivery of the underlying interest of a futures contract and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

5. *Suspension or Restriction of Trading and Pricing Relationships.* Market conditions (e.g. illiquidity) and/or the operation of the rules of certain markets (e.g. the suspension of trading in any contract or contract month because of price limits or 'circuit breakers') may increase the risk of loss by making it difficult or impossible to effect transactions or liquidate/offset positions. If you have sold options, this may increase the risk of loss.

Further, normal pricing relationships between the underlying interest and the future, and the underlying interest and the option may not exist. This can occur when, for example, the futures contract underlying the option is subject to price limits while the option is not. The absence of an underlying reference price may make it difficult to judge 'fair' value.

6. *Deposited Cash and Property.* You should familiarize yourself with the protections accorded money or other property you deposit for domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or property may be governed by specified legislation or local rules. In some jurisdictions, property which had been specifically identifiable as your own will be pro-rated in the same manner as cash for purposes of distribution in the event of a shortfall.

7. *Commission and Other Charges.* Before you begin to trade, you should obtain a clear explanation of all commission, fees and other charges for which you will be liable. These charges will affect your net profit (if any) or increase your loss.

8. *Transactions in Other Jurisdictions.* Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation which may offer different or diminished investor protection. Before you trade you should inquire about any rules relevant to your particular transactions. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your transactions have been effected. You should ask the firm with which you deal for details about the types of redress available in both your home jurisdiction and other relevant jurisdictions before you start to trade.

9. *Currency Risks.* The profit or loss in transactions in foreign currency-denominated contracts (whether they are traded in your own or another jurisdiction) will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to another currency.

10. *Trading Facilities.* Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order- routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary; you should ask the firm with which you deal for details in this respect.

11. *Electronic Trading.* Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risk associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions or is not executed at all.

12. *Off-Exchange Transactions.* In some jurisdictions, and only then in restricted circumstances, firms are permitted to effect off-exchange transactions. The firm with which you deal may be acting as your counterparty to the transaction. It may be difficult or impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such transactions, you should familiarize yourself with applicable rules and attendant risks.

CUSTOMER AGREEMENT

This agreement ("Agreement") sets forth the terms and conditions under which we, The Linn Group, Inc. ("LG") will open and maintain one or more accounts (collectively, the "account") in your name and on your behalf and otherwise transact business with you. This agreement contains certain negotiable contractual obligations and waivers of certain rights and therefore must be read carefully. If this account has been introduced to us, all references to "us" in this Agreement shall include your broker, and your broker shall enjoy all benefits and rights hereunder.

1. Parties.

You agree that the parties to this Agreement shall consist of us and you. If this is a joint account (including a community property account), the term "you" refers to each account holder. Except as disclosed in writing to us, no person other than you has any interest in the account. If this is a joint account, each account holder has full authority to act on behalf of the account and you authorize us to follow the instructions of any account holder as if such person were the sole account holder. All obligations arising hereunder are joint and several and may be enforced by us against any or all account holders. Notwithstanding the foregoing, we may require joint action by all account holders with respect to any matter concerning the account, including the giving or cancellation of orders, and the withdrawal of monies, securities or other property. In the event of the death of either or any of the joint account holders, the surviving joint account holder(s) shall immediately give us written notice thereof, and we may, before or after receiving such notice, take such action, require such papers and inheritance or estate tax waivers, retain such portion of and/or restrict transactions in the account as we may deem advisable. The surviving joint account holder(s) and the estate of the deceased joint account holder shall be jointly and severally liable to us for any net debit balance or loss in the account in any way resulting from transactions initiated prior to the receipt by us of the written notice of the death or incurred in the liquidation of the account or the adjustment of the interests of the respective parties.

Laws governing joint ownership of property vary from jurisdiction to jurisdiction. Generally, however, for joint tenants with rights of survivorship, in the event of the death of either tenant, the entire interest in the joint account shall be vested in the surviving joint tenant(s) on the same terms and conditions. For tenants in common, the interest in the tenancy shall be equal unless specified and in the event of death of either tenant, the interest in their share of the tenancy shall vest in the decedent's legal representative. State laws regulating community property vary. Consult your own legal adviser.

2. Applicable Law and Regulations; Markets.

All transactions shall be subject to all applicable law and the rules and regulations of all federal, state and self-regulatory agencies including, but not limited to, the Board of Governors of the Federal Reserve System and the constitution, rules and customs of the exchange or market (and clearing house) where executed. Unless you provide us with specific instructions, we may use our discretion in selecting the market in which to place your orders.

3. Deposits on Transactions.

You agree to maintain, without demand from us, such margin, cash or other acceptable collateral as we in our discretion require from time to time and you agree to pay on demand any debit balances in your account. You will make deposits of such margin or collateral immediately upon our request. You will provide us with any information we may require for immediate confirmation of wire transfers.

4. Security Interest and Lien.

As security for the payment of all of your obligations and liabilities to us or any of our affiliates through whom you conduct business, we shall have a continuing security interest in all property in which you have an interest held by or through us or any of our affiliates including, but not limited to, securities, futures contracts, cash commodities, commercial paper, monies, any after-acquired property and all rights you may have against us or any of our affiliates. In addition, in order to satisfy any such outstanding liabilities or obligations, we may, at any time and without prior notice to you, use, apply or transfer any of such securities or property interchangeably (including cash and fully-paid securities). In the event of a breach or default under this Agreement or any other agreement you may have with us or any of our affiliates, we shall have all rights and remedies available to a secured creditor under any applicable law in addition to the rights and remedies provided herein.

5. Default.

Should we deem it desirable for our protection, or should we feel insecure, or should you be in breach of or violate any of the terms of this Agreement, we are authorized to declare (and without the necessity of a call for additional capital) you in default under this

and any other agreement you may then have with us or our affiliates, whether heretofore or hereafter entered into. In the event of default, each of us and our affiliates reserves the right to sell, without prior notice to you, any and all property in which you have an interest held by or through us or our affiliates, to buy any or all property which may have been sold short, to cancel any or all outstanding transactions and/or to purchase or sell any other property to offset market risk, and to offset any indebtedness or position you may have, including by means of an exchange for physicals transaction, after which you shall be liable to us, for any remaining deficiencies, losses, costs or expenses sustained by us in connection therewith. Such purchases and/or sales may be effected publicly or privately without notice or advertisement in such manner as we may in our sole discretion determine. At any such sale or purchase, we may purchase or sell the property free of any right of redemption. In addition, we shall have the right to set off and apply any amount owing from our affiliates to you against any indebtedness in your account, whether matured or unmatured. You are unconditionally obligated to pay to us the amount of any debit balance in your account, however incurred, at the lesser of the highest rate permitted by applicable law or two percent above the current prime rate as announced from time to time by the banking institutions with which we normally do business.

6. Fees and Charges.

You understand that we will charge commissions and other fees for clearing, execution, custody, storage, delivery or any other service furnished to you and you agree to pay such commissions, fees and interest on monies owed to us at our then-prevailing rates. You understand further that such commissions, fees and interest rates may be changed from time to time. You will also be charged a fee for positions transferred to another broker. We may receive remuneration for directing orders to a particular broker or dealer or market center for execution. Such remuneration is considered compensation to us. We may pay a portion of fees and commissions charged to your Account to third-parties that have introduced your account to us or serviced your account. You understand that we or an affiliate may act as principal in certain transactions with you, including but not limited to, cash market transactions, forward contracts, or exchanges of physicals for futures ("EFPs").

7. Making Delivery; Liquidation Instructions.

You agree to give us timely notice if you intend to make or take delivery under a contract or to exercise any option contract. If so requested by us, you shall satisfy us that you can fulfill your obligations to make or take delivery and shall furnish us with property deliverable by you under any contract in accordance with our directions. We shall not have any obligation to exercise any long option contract unless you have furnished us with timely exercise instructions and sufficient initial margin with respect to each underlying contract. If we sell any property at your direction and you fail for any reasons to supply us with such property, we may (but shall not be obligated to) borrow or buy for you any property necessary to make such delivery. Under no circumstances shall we be obliged to make any payment or delivery to you except against receipt of payment or delivery by you of monies or other property requested by us. You shall be responsible for providing insurance coverage for any deliveries made or accepted by you. We do not provide any insurance coverage. If you do not provide insurance coverage, you agree to bear the risk of loss.

8. Consent to Loan or Pledge.

Within the limits of applicable law and regulations, you hereby authorize us to lend either to ourselves or to others any securities or other property held by us in your margin account together with all attendant rights of ownership, and to use all such property as collateral for our general loans. Any such property, together with all attendant rights of ownership, may be pledged, repledged, hypothecated or rehypothecated either separately or in common with other such property for any amounts due to us thereon or for a greater sum, and we shall have no obligation to retain a like amount of similar property in our possession and control.

9. Reports.

Reports of execution of orders sent by us to you shall be binding and conclusive on you unless, in the case of a verbal report, you object at the time the report is received by you or your agent; and in the case of a written report, you object in writing prior to the opening of trading on the business day following the day you have received the report. In addition, if after you have placed an order with us and have not received a written or verbal confirmation thereof in accordance with our practice, you immediately shall notify us thereof. If you fail to notify us as set forth in this section, you agree that you shall be deemed estopped to object and to have waived any objection to our execution or failure to execute any transaction. Nothing contained in this section, however, shall bind us with respect to any transaction or price reported (whether verbal or in writing) in error, or prevent us, upon discovery of any error or omission, from correcting the error or omission, and putting the account in the same position it would have been in if the error or omission had not occurred.

10. Waiver, Assignment and Notices.

Neither our failure to insist at any time upon strict compliance with this Agreement or with any of the terms hereof nor any continued course of such conduct on our part shall constitute or be considered a waiver by us of any of our rights or privileges hereunder. We may assign this Agreement and your account upon notice to you. Any assignment of your rights and obligations hereunder or interest in any property held by or through us without obtaining the prior written consent of an authorized representative of ours shall be null and void. Notices or other communications, including margin calls, delivered or mailed, including by facsimile or electronic transmission, to the address provided by you, shall, until we have received notice in writing of a different address, be deemed to have been personally delivered to you.

11. Clearance Accounts.

If your account has been introduced to us by another broker, that broker is acting as your agent and your broker in this relationship is not an agent of or affiliated with us. You agree that your broker and its employees are third-party beneficiaries of this Agreement. Unless we receive from you prior written notice to the contrary, we may accept from such other broker, without any inquiry or investigation: (a) orders for the purchase or sale of securities and other property in your account on margin or otherwise; and (b) any other instructions concerning your account or the property therein. You understand and agree that our role is limited to execution, clearing and bookkeeping for transactions made pursuant to instructions from you or your broker, and we generally will not inquire into the circumstances surrounding any transaction for your account. We are not responsible for any acts or omissions of your broker, including, but not limited to, sales practices, trading practices or recommendations. You agree to look solely to your broker for redress of any loss or damage arising out of circumstances other than our own gross negligence or willful misconduct in the execution, clearance or bookkeeping of transactions for your account. You understand and agree that we will pay a substantial portion of the brokerage commissions charged to your account in consideration of introducing and servicing your account.

12. Indemnification; Costs of Collection.

You agree to indemnify and hold harmless each of us, our affiliates and our respective shareholders, directors, officers, employees and agents from and against any liability, damage, cost or expense (including, without limitation, legal fees and expenses, amounts paid in settlement of any claims, interest and any fines or penalties imposed by any exchange, self-regulatory organization or governmental agency) any of them may incur or be subjected to with respect to you or your Account or any transaction or position therein, or as a result of your violation of any of your representations, agreements or obligations under this Agreement. You agree to pay and authorize us to charge you for any direct or indirect costs of collection, defense and enforcing any of our rights under this Agreement including, but not limited to, interest, legal fees, court costs and other expenses.

13. Free Credit Balances; Transfer Arrangements.

You hereby direct us to use any free credit balance in your account in accordance with all applicable rules and regulations and you authorize us, in our discretion, to transfer any free credit balances and cash in your account daily to a non-regulated account.

14. Restrictions.

You understand that we may restrict or prohibit trading in, or close, your account.

15. Credit Information and Investigation.

You authorize us in our discretion, to make and obtain reports concerning your credit standing and business conduct.

16. Legally Binding.

This Agreement shall be binding upon the parties hereto and their respective successors and assigns and supersedes any prior agreements between the parties with respect to the subject matter hereof. You further agree that all purchases and sales shall be exclusively for your account in accordance with your oral or written instructions. You hereby waive any and all defenses that any such instruction was not in writing as may be required by the statute of frauds or any similar law, rule or regulation.

17. Amendment.

You agree that we may modify the terms of this Agreement at any time upon prior written notice to you. By continuing to accept services from us, you will have indicated your acceptance of any such modification. If you do not accept any such modification, you must notify us thereof in writing and your account may then be terminated, but you will still be liable thereafter to us for all remaining liabilities and obligations. Otherwise, this Agreement may not be waived or modified absent a written instrument signed by an authorized representative of ours. No oral agreements or instructions purporting to amend this Agreement will be recognized or enforceable.

18. Severability.

If any provision hereof is or should become or be deemed to be inconsistent with any present or future law, rule or regulation of any court, arbitral body, sovereign government or regulatory body having jurisdiction over the subject matter of this Agreement, such provision shall be deemed to be rescinded or modified in accordance with any such law, rule or regulation. In all other respects, this Agreement shall continue to remain in full force and effect.

19. Limitation of Liability.

You shall have no claim against us or any of our affiliates for any loss, damage, liability, cost, charge, expense, penalty, fine or tax caused directly or indirectly by: (a) any law, regulation, rule or order; (b) suspension, or termination of trading; (c) war, civil or labor disturbance; (d) any delays or inaccuracies in the transmission or reporting of orders or other information due to a breakdown or failure of any transmission or communication facilities for any reason; (e) failure or delay for any reason of any broker, bank, depository or custodian to fulfill its obligations or to pay in full any amounts owed to us; (f) failure or delay by any entity which, consistent with applicable regulations, is holding customer segregated funds, securities or other property, to pay or deliver same to us; or (g) any other causes beyond our control.

We will execute your transactions solely as your agent. In executing transactions on an exchange, we may use floor brokers (who may be our employees or other agents of ours), but we will not be responsible to you for negligence or misconduct of an independent floor broker if, at the time the floor broker was selected, the floor broker was authorized to act as such under the rules of the relevant exchange and the appropriate regulatory agency. LG will not be responsible to you in the event of error, failure, negligence or misconduct on the part of any intermediary or other person acting on your behalf including, but not limited to, Commodity Trading Advisors and non-guaranteed Introducing Brokers and, without limitation, LG has no obligation to investigate the facts surrounding any transaction in your Account(s) which is introduced by such intermediary. With respect to guaranteed Introducing Brokers, you agree that LG's maximum liability to you shall be limited to the amount of the minimum net capital requirement (calculated in accordance with the Commodity Exchange Act and its rules and regulations as of the date of the finding of actual liability), that would have been required for the guaranteed Introducing Broker had it been a non-guaranteed Introducing Broker. You expressly acknowledge that a finding of liability against an Introducing Broker may substantially exceed the amount of the Introducing Broker's minimum net capital requirement which, in some circumstances may be as low as \$45,000. You will indemnify LG and hold LG harmless from and against any and all liabilities, penalties, losses and expenses, including legal expenses and attorneys' fees, incurred by LG as a result of any error, failure, negligence or misconduct on the part of any such intermediary acting on your behalf. We shall only be liable for actions or inactions by us which amount to gross negligence or fraud. You also agree that we shall not be liable to you for any losses, costs, expenses or other damages sustained by you in the event of any failure or delay by any exchange, market, clearing house, bank or other depository institution where any of your funds or other assets are maintained, or a failure or delay by any member, bank or agent of any of the foregoing, or a failure or delay by any of the foregoing to enforce its rules, to fulfill its obligations or to make any payment, for any reason whatsoever. You waive any claim, cause of action or right as against us, our employees or agents that may arise or occur as a result thereof.

20. Telephone Conversations.

For the protection of both you and us, and as a way of correcting misunderstandings, you hereby authorize us, at our discretion and without prior notice to you, to monitor and/or record (with or without tone warning devices) any or all telephone conversations between you and any of our employees or agents.

21. Additional Rights and Remedies.

The rights and remedies granted herein to us are in addition to any other rights and remedies provided to us in any other agreement you may have with us, and you hereby appoint us as your agent to take any action necessary to perfect ourselves with respect to the security interest granted to us in this Agreement.

22. Authority.

You represent that this Agreement has been duly authorized and executed by you and that you have full power and authority to trade futures, physical commodities, currencies, securities and options on the foregoing and related instruments. By signing this Agreement on behalf of an entity, you represent that the entity on whose behalf you are acting is authorized to enter into this Agreement and that you are duly authorized to sign this Agreement in its name.

23. Customer's Representations and Warranties.

You represent to us that all information supplied by you in connection with the opening of your account, including the Customer Account Application, is accurate and complete, and that we are legally entitled to rely on such information, and you agree to report promptly to us any material change in such information. You represent to us that you have read and understand all risk disclosure statements that we have provided to you, and understand that all transactions effected for your account are at your risk, and that you are solely liable therefor under all circumstances. You acknowledge that futures trading is only suitable for persons who are financially able to withstand losses. Such losses may substantially exceed margins or other funds you have deposited with us. You agree to inform us immediately if you cease to be willing or financially able to sustain such losses.

24. Pension Accounts.

If you are a Keogh Plan, Pension and Profit Sharing Trust, or other employee benefit plan as defined by Section 3(3) of the Employee Retirement Income Security Act (Collectively a "Plan"; "ERISA"), the undersigned trustee ("Trustee") acknowledges that the establishment of the account and all transactions executed through the account are subject to certain restrictions under Section 404(a) of ERISA, including the requirement that such transactions be prudent, that the investments be diversified, and that there are certain transactions which the Plan is prohibited from entering into under Section 406 of ERISA and Section 4975 of the Internal Revenue Code ("Code"), regardless of whether such transactions are prudent; and Trustee further acknowledges that certain transactions if entered into by the Plan may result in the recognition of taxable income under Section 511 of the Code. Trustee represents and warrants that, with respect to each transaction to be executed through the account, the determination as to whether such transaction complies with the standards of Section 404(a) of ERISA, will constitute a transaction prohibited under Section 406 of ERISA, or Section 4975 of the Code, or will result in the recognition of taxable income, will be made either by Trustee or by another person who has been determined by Trustee to be either a fiduciary or an investment manager properly delegated the authority to make, or to advise the Plan as to, such determinations. Trustee understands and agrees that the individual account plan permits participant-directed investments pursuant to Section 404(c) of ERISA. In no event shall we have any responsibility or authority to make, or to advise the Plan or Trustee as to, such determinations. Trustee understands and agrees that we are neither a fiduciary nor an investment manager with respect to the Plan as defined in Sections 3(21) and 3(38) of ERISA. Nevertheless, if, contrary to the expectations of the parties, it is ever finally determined that we are a fiduciary or investment manager, our responsibility and authority in acting in such capacity shall be limited to performing our obligations as specifically set forth herein, and Trustee represents and warrants that such allocation of fiduciary responsibility is authorized under the instrument pursuant to which you maintained in accordance with Section 402(c) of ERISA.

By signing this Agreement, Trustee agrees to indemnify us for any liability which may be imposed on us including, but not limited to, Section 409 of ERISA or any tax which may be assessed against us under Section 4975 of the Code, or any other damage or expense which may be suffered by us by reason of your being subject to the provisions of ERISA, including all costs and expense (including attorneys' fees) incurred by us in defending against the foregoing. The foregoing provision shall also apply to any federal or state fiduciary law governing the investments of employee benefit plans which is supplementary to, or in lieu of, the specific provisions of ERISA referred to herein.

25. Currency Exchange Rates.

If any transaction is effected in a foreign currency, any profit or loss arising as a result of a fluctuation in the exchange rate affecting such currency will be entirely for your account and risk. All deposits shall be made in United States currency, unless we request any such deposit in the currency of some other country, in which case such deposit shall be made in such currency. When any position is liquidated, we shall debit or credit your account in United States currency at the rate of exchange determined by us in our sole discretion on the basis of the then prevailing money rates for such foreign currency, unless you shall have given us specific written instructions to make such debit or credit in the foreign currency involved.

26. Funds on Deposit in Non-U.S. Banking Institutions.

Funds of customers trading on United States contract markets may be held in accounts denominated in a foreign currency with depositories located outside the United States or its territories if you are domiciled in a foreign country or if the funds are held in connection with contracts priced and settled in a foreign currency. Such accounts are subject to the risk that events could occur which would hinder or prevent the availability of these funds for distribution to you. Such accounts may also be subject to foreign currency exchange rate risks.

You authorize the deposit of funds into such foreign depositories. For customers domiciled in the United States, this authorization permits the holding of funds in regulated accounts offshore only if such funds are used to margin, guarantee, or secure positions in such contracts or accrue as a result of such positions.

In order to avoid the possible dilution of other customer funds, if you have funds held outside the United States, you further agree that your claims based on such funds will be subordinated in the unlikely event both of the following conditions are met: (1) Your futures commission merchant is placed in receivership or bankruptcy; and (2) there are insufficient funds available for distribution denominated in the foreign currency as to which you have a claim to satisfy all claims against those funds.

You agree that if both of the conditions listed above occur, your claim against our assets attributable to funds held overseas in a particular foreign currency may be satisfied out of segregated customer funds held in accounts denominated in dollars or other foreign currencies only after each customer whose funds are held in dollars or in such other foreign currencies received its pro-rata portion of such funds. You further agree that in no event may a customer whose funds are held overseas receive more than its pro-rata share of the aggregate pool consisting of funds held in dollars, funds held in the particular foreign currency, and nonsegregated assets of the company.

27. CFTC Regulations.

You are aware that CFTC Regulation 1.35(a-2) (2) requires you to create, retain and produce upon the request of the CFTC, the United States Department of Justice and the applicable exchange, documentation of cash transactions underlying exchanges of futures for cash commodities or exchanges of futures in connection with cash commodity transactions and, if you effect any such exchange of futures, you will comply with Regulation 1.35 (1-2) (2). If you maintain separate accounts in which, pursuant to CFTC Regulation 1.46(d)(6), offsetting positions are not closed out, you understand that, if held open, offsetting long and short positions in the separate accounts may result in the charging of additional margins even though offsetting positions will result in no additional market gain or loss. If you are a non-United States person, you acknowledge that: (a) CFTC Regulation 15.05 designates us as the agent of foreign brokers, customers of foreign brokers, and foreign traders for certain purposes; and (b) CFTC Regulation 21.03 authorizes the CFTC to request, when unusual market circumstances exist, certain account information from us as well as foreign brokers and traders.

28. Online Services / Electronic Statements.

If we provide you with access to online brokerage service facilities, you agree to our posted terms of use, privacy statement and service agreement and the Electronic Order Entry & Account Access Agreement as if the same were set forth in this Agreement. We do not guarantee access to your account at all times, nor do we guarantee the receipt, acceptance and entry of any order transmitted to us electronically. You further agree that any market data or information provided to you will not be broadcast, retransmitted or commercially exploited and you acknowledge that exchanges and markets have a proprietary interest in this data and information. If you have agreed to the electronic transmission of information, you understand that we do not guarantee delivery.

29. Governing Law; Jurisdiction and Venue ; Service of Process; Limitation on Actions; Waiver of Jury Trial .

In order to induce us to accept this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, you hereby agree to the following:

A. This Agreement is made, upon acceptance by us, in the State of Illinois, and shall be governed by, and the rights and liabilities of the parties shall be determined in accordance with, the laws of the State of Illinois, without regard to any of its conflicts of laws, principles or rules, and by the laws of the United States.

B. If you have not entered into an arbitration agreement or if arbitration is unavailable, all actions or proceedings, whether initiated by you or us, with respect to any controversy arising out of or related to this agreement, shall be litigated only in courts whose situs is in the State of Illinois. You hereby submit to the jurisdiction of the United States District Court of the Northern District of Illinois, Eastern Division, and any other court of competent jurisdiction whose situs is in Chicago, Illinois. If you bring any arbitration (including, but not limited to, NFA arbitrations), administrative or reparations proceedings against us, you hereby authorize and direct such arbitrators, administrative law judges, or judgment officers to hold any such proceedings in Chicago, Illinois. You hereby waive any right you may have to transfer or change the venue of any litigation you may bring against us, or that such litigation is brought in an inconvenient forum or that forum is improper.

C. You agree to accept court service of process by registered or certified mail addressed to you at the address you provided in your customer application, or to such other addresses as you have supplied to us in writing, and such service shall constitute personal service of process.

D. No judicial, administrative, arbitration or reparations proceeding may be commenced by you or us more than one (1) year after any claim arises, directly or indirectly, out of this Agreement or the transactions contemplated thereby. You hereby waive any statutes of limitation, including, but not limited to, the Commodity Exchange Act's and the National Futures Association's two (2) year limitation on actions.

E. You hereby waive any right you may have to a trial by jury.

ELECTRONIC ORDER ENTRY & ACCOUNT ACCESS AGREEMENT

1. License Grant and Right of Use

This Agreement sets forth the terms and conditions under which we, The Linn Group, shall permit you to have access to one or more terminals, including terminal access through your internet browser, for the electronic transmission of orders for your accounts with us. This Agreement also sets forth the terms and conditions under which we shall permit you electronically to monitor the activity and positions in your account (collectively, the "Service"). The Service may be a proprietary service offered by us or a third party system offered by another broker, vendor or exchange. For purposes of this Agreement, the term "Service" includes all software and communication links. By this Agreement, where we are supplying you with software for use with the Service, we grant you non-exclusive and non-transfer-able license to use such software subject to the terms hereof. You may use the software solely for your own internal business purposes. Neither the software nor the Service may be used to provide computer time sharing, third party training, virtual or actual hosting or as a service bureau for any third parties. If your account has been introduced to us, all references to us in this Agreement shall include your broker, and your broker shall enjoy all benefits and rights hereunder. Nothing in this Agreement alters or modifies the terms of any other agreement between us. If the Service is sponsored by a third party, you agree that we shall enjoy all of the rights and benefits under the terms of any agreements between the third party Service sponsor and you as if we were a party to such agreement.

2. Access

Where access is controlled by us, we shall provide you with access to the Service. If the Service is sponsored by a third party you may need additional consents in order to access the Service. The Service may be used to transmit, receive and confirm execution of orders, subject to prevailing market conditions and applicable exchange rules and regulations. We consent to your access and use in reliance upon your having adopted procedures to prevent unauthorized access to and use of the Service, and in any event, you agree to any financial liability for trades executed through the Service.

If permitted by the Service, you may send and receive electronic mail, engage in conferences and chats, download and upload files and otherwise use the Service as permitted herein, our policies, applicable law and, if a third party sponsored Service, the Service's terms of use and access agreement. Files that you upload and your activity in conferences and chats are subject to review, modification and deletion without notice to you. We reserve the right in our sole discretion to institute or change policies at any time. Files uploaded to a bulletin board may be subject to posted limitations on usage, reproduction and/or dissemination, and you are responsible for adhering to such limitations if you download them.

3. Use of Passwords

You acknowledge, represent and warrant that: (a) you have received a number, code or other sequence which provides access to the Service (the "Password"); (b) you are the sole and exclusive owner of the Password; (c) you are the sole and exclusive owner of any identification number, code or other sequence which allows access to the Service via computerized online service (the "ID"); and (d) you accept full responsibility for use and protection of the Password and the ID as well as for any transaction occurring in an account opened, held or accessed through the ID or the Password.

You shall be legally bound by any electronic order entry and account access agreement with us upon clicking the "I ACCEPT" button (or other similar indicia of acceptance) after entering the required Password or ID. You represent, warrant and agree that any individual who has possession of any Password or ID is your duly authorized representative, having the power and authority to legally bind you in this manner. Such acceptance shall be deemed to be as effective as a written signature performed manually by you and shall be deemed to satisfy any writings requirements of any applicable law despite being written and accepted electronically. Our electronically or other properly stored copy of any such agreement shall be deemed to be the true, complete, valid, authentic and enforceable copy of any such agreement. Our electronically stored record of the date on which you accept such an agreement shall be conclusive evidence as to the effective date. Except if there is obvious tampering or loss of data, you shall not contest the admissibility or enforceability of our copy of any such agreement.

4. Warranties and Limitation of Liability

You accept responsibility for selection and use of the Service and for any trading and other decisions made by you based on its use. You shall not use any Password or ID we supply to you for clearing any transaction with another broker.

You accept responsibility for the monitoring of your account. You will immediately notify your broker and us in writing if you become aware of the following: (a) any loss, theft or unauthorized use of your Password(s), IDs and/or account number(s); or (b) any failure by you to receive a message indicating that an order was received and/or executed; or (c) any failure by you to receive an accurate confirmation of an execution; or (d) any receipt of confirmation of an order and/or execution which you did not place; or (e) any inaccurate information in your account balances, positions, or transaction history.

THE SERVICE IS PROVIDED "AS IS" AND WE MAKE NO EXPRESS OR IMPLIED REPRESENTATIONS OR WARRANTIES TO YOU REGARDING THE USABILITY, CONDITION OR OPERATION THEREOF. WE MAKE NO REPRESENTATIONS OR WARRANTIES REGARDING THE GOODS OR SERVICES PROVIDED BY ANY THIRD PARTIES WHO MAY PROVIDE CONTENT OR OFFER OTHER SERVICES. WE DO NOT WARRANT THAT ACCESS TO OR USE OF THE SERVICE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT THE SERVICE WILL MEET ANY PARTICULAR CRITERIA OF PERFORMANCE OR QUALITY. WE EXPRESSLY DISCLAIM ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, COMPATIBILITY, SECURITY OR ACCURACY.

UNDER NO CIRCUMSTANCES, INCLUDING NEGLIGENCE, SHALL WE OR ANYONE ELSE INVOLVED IN CREATING, PRODUCING, DELIVERING OR MANAGING THE SERVICE BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES THAT RESULT FROM THE USE OF OR INABILITY TO USE THE SERVICE, OR OUT OF ANY BREACH OF ANY WARRANTY, INCLUDING, WITHOUT LIMITATION, THOSE FOR BUSINESS INTERRUPTION OR LOSS OF PROFITS. THIS EXCLUSION OR LIMITATION OF LIABILITY WILL NOT APPLY TO THE EXTENT THAT ANY APPLICABLE STATUTE PROHIBITS SUCH EXCLUSION OR LIMITATION OF LIABILITY. ANY LIABILITY ARISING OUT OF ANY ACTION OR OMISSION BY US SHALL BE LIMITED TO AN AMOUNT EQUAL TO THE AMOUNT OF USER FEES PAID TO US BY YOU FOR SERVICE ACCESS.

YOU EXPRESSLY AGREE THAT YOUR USE OF THE SERVICE IS AT YOUR SOLE RISK. YOU ASSUME FULL RESPONSIBILITY AND RISK OF LOSS RESULTING FROM USE OF, OR MATERIALS OBTAINED THROUGH, THE SERVICE. NEITHER WE NOR ANY OF OUR DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONTRACTORS, AFFILIATES, THIRD PARTY VENDORS, FACILITIES, INFORMATION PROVIDERS, LICENSORS, EXCHANGES, CLEARING ORGANIZATIONS OR OTHER SUPPLIERS PROVIDING DATA, INFORMATION, OR SERVICES, INCLUDING BUT NOT LIMITED TO THE NEW YORK STOCK EXCHANGE, INC. (EACH A "PROVIDER"), WARRANT THAT THE SERVICE WILL BE UNINTERRUPTED OR ERROR FREE; NOR DO WE OR THEY MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM THE USE OF THE SERVICE OR AS TO THE TIMELINESS, SEQUENCE, ACCURACY, COMPLETENESS, RELIABILITY OR CONTENT OF ANY INFORMATION, SERVICE, OR TRANSACTION PROVIDED THROUGH THE SERVICE.

THIS AGREEMENT DEFINES YOUR SOLE AND EXCLUSIVE REMEDY.

Neither we nor any Provider shall be liable in any way to you or to any other person for: (a) any inaccuracy, error or delay in, or omission of (i) any such data, information or message, or (ii) the transmission or delivery of any such data, information or message; or (b) any loss or damage arising from or occasioned by (i) any such inaccuracy, error, delay or omission, (ii) non-performance, or (iii) interruption in any such data, information or message, due either to any negligent act or omission or to any condition of "force majeure" (e.g., flood, extraordinary weather condition, earthquake or other act of god, fire, war, insurrection, riot, labor dispute, accident, action of government, communications or power failure, equipment or software malfunction) or any other cause, whether or not within our or any Provider's control.

We shall not be deemed to have received any order or communication electronically transmitted by you until we have actual knowledge of such order or communication. The terms contained in any confirmation issued to you through the Service are subject to change or correction based on the trade data supplied to us by the relevant exchange or market on which the trade was transacted.

The use and storage of any information including, without limitation, the Password, the ID, portfolio information, transaction activity, account balances and any other information or orders available to you through your use of the Service is your sole risk and responsibility. You are responsible for providing and maintaining the communications equipment (including personal computers and modems) and telephone or alternative services required for accessing and using the Service, and for all communications service fees and charges incurred by you in accessing the Service.

5. Representations

You acknowledge that from time to time, and for any reason, the Service may not be operational or otherwise available for your use due to servicing, hardware malfunction, software defect, service or transmission interruption or other cause, and you agree to hold us and any Provider harmless from liability or any damage which results from the unavailability of the Service. You acknowledge that you have alternative arrangements which will remain in place for the transmission and execution of your orders, by telephone, facsimile transmission, or otherwise, in the event, for any reason, circumstances prevent the transmission and execution of all, or any portion of, your orders through the Service. In the event the Service is not operational, you agree to contact your account executive to make alternative order entry arrangements.

You are responsible for your communications via the Service. You may not, under any circumstances, do any of the following: (a) publish, post, distribute or disseminate defamatory, infringing, obscene or other unlawful or offensive material or information via the Service; (b) use the Service to threaten, harass, stalk, abuse, or otherwise violate the legal rights (including rights of privacy and publicity) of others; (c) intercept or attempt to intercept electronic mail; (d) upload files that contain software or other material protected by intellectual property laws (or by rights of privacy or publicity) unless you own or control the rights thereto or have received all necessary consents; (e) upload files that contain a virus or corrupted data; (f) delete any author attributions, legal notices or proprietary designations or labels in a file that you upload to a bulletin board; (g) falsify the source or origin of software or other material contained in a file that you upload to a bulletin board; (h) use the Service in a manner that adversely affects the availability of its resources to other members; (i) send electronic mail to other users of the Service for any purpose other than personal communication, including to advertise or offer to sell goods or services (except as otherwise expressly permitted by us); (j) download a file that you know (or reasonably should know) cannot be legally distributed via the Service (a file may have been uploaded notwithstanding such illegality); or (k) act, or fail to act, in your use of the Service, in a manner that is contrary to applicable law or regulation. Your failure to observe any of the foregoing limitations may result in civil or criminal liability, as well as termination of your use of the Service.

You represent and warrant that you are fully authorized to enter into this Agreement and are under no legal disability which would prevent you from trading, and that you are and shall remain in compliance with all laws, rules and regulations applicable to your business. You agree that you are familiar with and will abide by any rules or procedures adopted by us and any Provider in connection with use of the Service. Finally, you agree that you shall permit no person access to the Service until you have provided necessary training in its use.

You shall not (and shall not permit any third party) to copy, use, analyze, modify, decompile, disassemble, reverse engineer, translate or convert any software provided to you in connection with use of the Service or distribute the software or the Service to any third party.

6. Termination of Access and License

We may, in our sole discretion, terminate or restrict your access to the Service, and may terminate this Agreement at any time. Upon termination, any software license granted to you herein shall automatically terminate and you shall return to us promptly any hardware, software, manuals or other items provided to you by us in connection with Service access. You will remain responsible for the payment of all charges incurred before termination becomes effective.

7. Indemnity

You agree to indemnify and hold harmless us and each Provider and their respective principals, affiliates and agents from and against all claims, demands, proceedings, suits and actions and all losses (direct, indirect or otherwise), liabilities, costs and expenses (including attorney's fees and disbursements), paid in settlement, incurred or suffered by us and/or a Provider and/or our or their respective principals, affiliates and agents arising from or relating to your use of the Service or the transactions contemplated hereunder. This indemnity provision shall survive termination of this Agreement.

8. Miscellaneous

(a) You may not amend the terms of this Agreement. We may amend the terms of this Agreement upon notice to you (including by electronic delivery), or if this Agreement is contained as part of a web site by posting the amended terms to that web site. By continued access to and use of the Service, you agree to any such amendments to this Agreement.

(b) You shall permit us by any reasonable and appropriate means to verify that you have complied with the terms of this agreement and you agree to cooperate fully with any such verification process.

(c) This Agreement is the entire agreement between the parties relating to the subject hereof, and, except with respect to the brokerage agreement between the parties, all prior negotiations and understandings between the parties, whether written or oral, are hereby merged into this Agreement. Nothing in this Agreement shall be deemed to supersede or modify a party's rights and obligations under the brokerage agreement.

(d) This Agreement shall be governed by the laws of the State of Illinois (USA) without reference to its conflict of laws principles.

Each of the undersigned hereby agrees to the terms and conditions as set forth in this Electronic Order Entry & Account Access Agreement.

HEDGE ACCOUNT AGREEMENT & INSTRUCTIONS

This notification is a continuing one and shall remain in force until canceled in writing by the undersigned.

Commodity Futures Trading Commission Regulation 190.06(d) requires that a commodity broker must provide an opportunity for each customer to specify when undertaking its first hedging contract whether, in the event of the commodity broker's bankruptcy, such customer prefers that open commodity contracts held in a hedging account be liquidated by the Trustee. Accordingly, please indicate below your preference for open contracts in your account if such an event were to occur.

I prefer that, in the event of The Linn Group's bankruptcy, the Trustee:

- liquidate
- transfer (to another firm as designated)

all open commodity positions in my hedge account. [Note: If neither box is checked, Customer will be deemed to have chosen to have all its hedging positions liquidated.]

All positions taken in this account will be bona fide hedging transactions as described in the Commodity Exchange Act, as amended, and Regulation 1.3(z) promulgated thereunder. Customer agrees that all transactions and positions executed or carried in this account will be consistent with these provisions as presently construed or as amended from time to time. It is agreed that positions carried in the account will be strictly for hedge purposes, and not for speculation, and that a separate account must be used to accommodate non-hedge trades. It is further agreed that The Linn Group will rely on the representation that all trades made in this account are bona fide hedges and that it shall have no obligation to inquire into or verify the nature of such trades or incur any liability if, in fact, they may not be such.

ARBITRATION AGREEMENT

(Optional)

Any controversy between The Linn Group ("Broker") and the Customer arising out of or relating to Customer's Account(s) shall be, except as provided below, resolved by arbitration in accordance with Part 180 of the regulations promulgated under the Commodity Exchange Act, as amended. If, by reason of any applicable statute, regulation, exchange rule or otherwise, other than the Customer's entitlement to commence reparations proceedings under Section 14 of the Commodity Exchange Act and Part 12 of the Regulations promulgated thereunder (17 C.F.R. Section 12 et seq.), the Customer's advance agreement to submit a controversy to arbitration would not be enforceable by Broker, this provision shall not permit the Customer to enforce Broker's advance agreement to submit to arbitration. Any award rendered in such arbitration shall be final and binding on and enforceable in accordance with the laws of any court having jurisdiction.

At such time that Customer notifies Broker that Customer intends to submit a claim to arbitration or at such time that Broker notifies Customer of Broker's intent to submit a claim to arbitration, Customer will have the opportunity to elect a qualified forum for conducting the proceeding. Within ten business days after receipt of such notice from Customer or at the time Broker so notifies Customer, Broker must provide Customer with a list of organizations whose procedures qualify them to conduct arbitration in accordance with Part 180 of the Regulations promulgated under the Commodity Exchange Act, together with a copy of the rules of each forum listed. One of these organizations will be the National Futures Association. Customer's failure to select an organization gives the Broker the right to select an organization.

Broker will pay any incremental fees which may be assessed by a qualified forum for provision of a mixed panel, unless the arbitrators in a particular proceeding determine that the Customer has acted in bad faith in initiating or conducting that proceeding.

The Customer is advised that if the Customer seeks reparations under Section 14 of the Commodity Exchange Act and Part 12 of the Regulations promulgated thereunder and the CFTC declines to institute reparations proceedings, the claims or grievances will be subjected to this Arbitration Agreement and those aspects of the claims or grievances that are not subject to the reparations procedure (i.e. do not constitute a violation of the Commodity Exchange Act or the rules promulgated thereunder) may be required to be submitted to the arbitration or other dispute settlement procedure set forth in this Arbitration Agreement.

THREE FORUMS EXIST FOR THE RESOLUTION OF COMMODITY DISPUTES: CIVIL COURT LITIGATION, REPARATIONS AT THE COMMODITY FUTURES TRADING COMMISSION (CFTC) AND ARBITRATION CONDUCTED BY A SELF-REGULATORY OR OTHER PRIVATE ORGANIZATION.

THE CFTC RECOGNIZES THAT THE OPPORTUNITY TO SETTLE DISPUTES BY ARBITRATION MAY IN SOME CASES PROVIDE MANY BENEFITS TO CUSTOMERS, INCLUDING THE ABILITY TO OBTAIN AN EXPEDITIOUS AND FINAL RESOLUTION OF DISPUTES WITHOUT INCURRING SUBSTANTIAL COSTS. THE CFTC REQUIRES, HOWEVER, THAT EACH CUSTOMER INDIVIDUALLY EXAMINE THE RELATIVE MERITS OF ARBITRATION AND THAT YOUR CONSENT TO THIS ARBITRATION AGREEMENT BE VOLUNTARY.

BY SIGNING THIS AGREEMENT, YOU: (1) MAY BE WAIVING YOUR RIGHT TO SUE IN A COURT OF LAW; AND (2) ARE AGREEING TO BE BOUND BY ARBITRATION OF ANY CLAIMS OR COUNTERCLAIMS WHICH YOU OR [MEMBERS NAME] MAY SUBMIT TO ARBITRATION UNDER THIS AGREEMENT. YOU ARE NOT, HOWEVER, WAIVING YOUR RIGHT TO ELECT INSTEAD TO PETITION THE CFTC TO INSTITUTE REPARATIONS PROCEEDINGS UNDER SECTION 14 OF THE COMMODITY EXCHANGE ACT WITH RESPECT TO ANY DISPUTE WHICH MAY BE ARBITRATED PURSUANT TO THIS AGREEMENT. IN THE EVENT A DISPUTE ARISES, YOU WILL BE NOTIFIED IF [MEMBER'S NAME] INTENDS TO SUBMIT THE DISPUTE TO ARBITRATION. IF YOU BELIEVE A VIOLATION OF THE COMMODITY EXCHANGE ACT IS INVOLVED AND IF YOU PREFER TO REQUEST A SECTION 14 "REPARATIONS" PROCEEDING BEFORE THE CFTC, YOU WILL HAVE 45 DAYS FROM THE DATE OF SUCH NOTICE IN WHICH TO MAKE THAT ELECTION.

YOU NEED NOT SIGN THIS AGREEMENT TO OPEN AN ACCOUNT WITH THE LINN GROUP. SEE 17 CFR 180.1-180.5. [See CFTC Regulation 180.3 (b) (6).]

ELECTRONIC TRADING & ORDER ROUTING SYSTEMS DISCLOSURE STATEMENT

Electronic trading and order routing systems differ from traditional open outcry pit trading and manual order routing methods. Transactions using an electronic system are subject to the rules and regulations of the exchange(s) offering the system and/or listing the contract. Before you engage in transactions using an electronic system, you should carefully review the rules and regulations of the exchange(s) offering the system and/or listing contracts you intend to trade.

DIFFERENCES AMONG ELECTRONIC TRADING SYSTEMS

Trading or routing orders through electronic systems varies widely among the different electronic systems. You should consult the rules and regulations of the exchange offering the electronic system and/or listing the contract traded or order routed to understand, among other things, in the case of trading systems, the system's order matching procedure, opening and closing procedures and prices, error trade policies, and trading limitations or requirements, and in the case of all systems, qualifications for access and grounds for termination and limitations on the types of orders that may be entered into the system. Each of these matters may present different risk factors with respect to trading on or using a particular system. Each system may also present risks related to system access, varying response times and security. In the case of Internet-based systems, there may be additional types of risks related to system access, varying response times and security, as well as risks related to service providers and the receipt and monitoring of electronic mail.

RISKS ASSOCIATED WITH SYSTEM FAILURE

Trading through an electronic trading or order routing system exposes you to risks associated with systems or component failure. In the event of system or component failure, it is possible that, for a certain time period, you may not be able to enter new orders, execute existing orders, or modify or cancel orders that were previously entered. System or component failure may also result in loss of orders or order priority.

SIMULTANEOUS OPEN OUTCRY PIT AND ELECTRONIC TRADING

Some contracts offered on an electronic trading system may be traded electronically and through open outcry during the same trading hours. You should review the rules and regulations of the exchange offering the system and/or listing the contract to determine how orders that do not designate a particular process will be executed.

LIMITATION OF LIABILITY

Exchanges offering an electronic trading or order routing system and/or listing the contract may have adopted rules to limit their liability, the liability of FCMs, and software and communication system vendors and the amount of damages you may collect for system failure and delays. These limitations of liability provisions vary among the exchanges. You should consult the rules and regulations of the relevant exchange(s) in order to understand these liability limitations.

Each exchange's relevant rules are available upon request from the industry professional with whom you have an account. Some exchanges' relevant rules also are available on the exchange's Internet home page.

NYMEX ACCESS RULES 6.26 AND 6.27

NYMEX Rule 6.26 LIMITATION OF LIABILITY

(A) Except as provided in Rule 6.27, and except in instances where there has been a finding of willful or wanton misconduct, in which case the party found to have engaged in such conduct cannot avail itself of the protections of this rule, neither the Exchange, American Telephone and Telegraph Company (“AT&T”), except as otherwise provided by any agreement with AT&T, Task Management, Inc. (“TMI”), Members, Member Firms, Clearing Members, Electronic Traders, nymex access Operators or other persons acting as agents in causing the orders of others to be entered into nymex access, nor any of their respective officers, directors, employees, agents, or designees shall be liable to any person, including a customer, for any losses, damages, costs or expenses (including, but not limited to, loss of profits, loss of use, direct, incidental, or consequential damages) arising from :

(B) There are no express or implied warranties or representations provided by the Exchange, AT & T or TMI relating to NYMEX ACCESS or any Exchange. AT&T or TMI Services or facilities used to support NYMEX ACCESS, including, but not limited to, warranties of merchantability and warranties of fitness for a particular purpose or use.

(C) Any dispute arising out of the use of nymex access or Exchange, AT& T or TMI services or facilities used to support nymex access in which the Exchange or any of its officers, Directors, employees, agents, or designees is a party shall be construed and enforced in accordance with the laws of the state of New York without regard to conflict of laws, rules or procedures. Any actions, suits, or proceedings against any of the above must be brought within two years from the time that a cause of action has accrued, and any party bringing such action consents to jurisdiction in the U. S. District Court for the Southern District of New York and waives any objection to venue. This provision shall in no way create a cause of action and shall not authorize an action that would otherwise be prohibited by nymex Rules.

(D) Notwithstanding any of the foregoing provisions, this rule shall in no way limit the applicability of any provision of the Commodity Exchange Act or the CFTC’s regulations.

NYMEX Rule 6.27. NYMEX PERSONNEL – LIMITATION OF LIABILITY

(A) The Exchange shall provide employees in the nymex access Control Center (“NACC”) and elsewhere to perform certain services for Members, Member Firms, Clearing Members, Electronic Traders and nymex access Operators with respect to nymex access. Such employees may not always be available to assist Members, Member Firms, Clearing Members, Electronic Traders and nymex access Operators. The Exchange shall be liable when such employees negligently: (1) cancel, or fail to cancel, orders resting in nymex access; (2) deactivate a nymex access terminal, in which case only those orders that were resting in the system at the time of deactivation may be basis for an allowable claim; (3) fail to deactivate a nymex access terminal pursuant to valid instructions, in which case those orders that were entered or matched after the instruction was received by the NACC, but before the NACC has had a reasonable period of time to act upon such instruction, shall not form the basis for an allowable claim; and (4) issue passwords to unauthorized persons.

(B) The liability of the Exchange for the above shall be limited as follows :

(1) \$10,000 for any single claim; and

(2) \$100,000 for all claims arising out of the negligent actions or failures to act of all nymex employees on any single day.

(C) A single claim shall mean a loss resulting from all actions or failures to act as described above that were performed negligently by all nymex employees with respect to a single order entered through nymex access, or multiple orders entered through nymex access for a single customer. Such claim may be brought by the Member, Member Firm, Clearing Member, or Electronic Trader who (or whose customer) was damaged.

(D) If the number of allowed claims arising out of the negligent actions or failures to act of all nymex employees on a single day cannot be fully satisfied because of the above limitations, all such claims shall be limited to a pro share of the maximum per day amount.

(E) Arbitration of claims - A claim against the Exchange for the negligent actions or failures to act enumerated above of the NACC employees shall only be allowed if such claim is brought pursuant to and in accordance with this Rule.

(b) No person shall serve as a panelist unless and until he has first pledged to the Exchange that he will not publish, divulge, or make known in any manner, any facts or information regarding the business of any person or any other information which may come to his attention in his official capacity as a member of the panel, except when called upon to testify in any judicial or administrative proceeding.

(c) Each person serving on the panel shall comply with the standards of the American Bar Association - American Arbitration Associations "Code of Ethics for Arbitrators in Commercial Disputes", incorporated herein by reference.

(d) No person shall serve on an arbitration panel if he has a personal or financial interest in the matter under consideration.

4 Hearing

(a) The panel shall consider all relevant testimony and documents submitted by the claimant and the Exchange. 6 Applicability of Commodity Exchange Act

Notwithstanding the foregoing, this Rule shall in no way limit the applicability of any provision of the Commodity Exchange Act or the CFTC's regulations.

AVERAGE PRICE SYSTEM DISCLOSURE

The following questions and answers are being provided to you as required by Chicago Mercantile Exchange Rule 553-Average Price System (APS).

Questions And Answers To Address Key Features of Rule 553. – Average Price System

1) What is the Average Price System ("APS") ? APS will enable a clearing member to confirm to customers an average price when multiple prices are received on an order or series of orders for the same accounts. For example, if any order transmitted by an account manager on behalf of several customers is executed at more than one price, those prices may be averaged and the average may be confirmed to each customer. Customers will have the choice of participating in APS.

(2) Does an order subject to APS have to be for the same commodity? Yes. An APS order may be used for futures, options or combination transactions. An APS order for futures must be for the same commodity and month and for options, it must be for the same commodity, month, put/call and strike.

(3) Does the clearing firm calculate the average? How is the average calculated? The CME computes the average by multiplying the price by the quantity executed at each price divided by the total quantity.

(4) Is the APS process limited to discretionary accounts? No. APS may also be used for a non-discretionary account upon request of a customer.

(5) What will appear on a customer's confirmation and monthly statement for a position that has been confirmed at an average price? An APS indicator will appear on the confirmation and monthly statement. This indicator will notify the customer that the confirmed price represents an average price or rounded average price.

(6) Is a clearing firm required to provide any specific disclosure to a customer prior to entering an APS order for a customer? A firm should describe certain features of APS to customers. For example, a firm should inform a customer that the average price is not the actual execution price and that APS will calculate the same price for all customers that participate in the order.

Each clearing firm should decide how to communicate this information to the customer. If the firm or account controller provides the information in these Questions and Answers to the customer, the CME believes that will satisfy any disclosure obligation. Similarly, if the firm provides the information to the pool operator, the CME believes this will satisfy any disclosure obligation to a commodity pool. A firm may choose to provide the information orally rather than providing a written copy of these Questions and Answers.

(7) Can APS be used when a series of orders are entered for a group of accounts? Yes. For example, a bunched APS order (an order that represents more than one customer account) executed at 10:00 a.m. could be averaged with a bunched APS order executed at 12:00 p.m. provided that each of the bunched orders is for the same accounts. In addition, market orders and limit orders may be averaged, as may limit orders at different prices, provided that each order is for the same account.

(8) What will happen if an APS order is only partially executed? For example, at 10:00 a.m. a buy 100 APS DEC S&P 500 futures order is transmitted at a limit price of 376.00; 50 are executed at 376.00 and the balance was not filled. At 12:00 p.m. a buy 100 APS DEC S&P futures order is transmitted at a limit price of 375.00; 50 are executed at 375.00, and the balance was not filled. Both orders are part of a series for the same group of accounts. In the above example, the two prices will be averaged. If the order was placed for more than one account, the account controller must rely on pre-existing allocation procedures to determine the proportions in which each account will share in the partial fill.

(9) Is there a requirement that a firm confirm the average price rather than the rounded average price? No. Each firm will have the choice of confirming the actual average price or the rounded to the next price increment. If a clearing firm confirms the rounded average price, the firm must round the average price up to the next price increment for a buy order or down to the next price increment for a sell order. The rounding process will create a cash residual of the difference between the actual average price and the rounded average price that must be paid to the customer.

(10) What will happen if the actual average or the residual is a price that does not conform to a whole cent increment? APS may produce prices that do not conform to whole cent increments. In such cases, any amount less than one cent may be retained by the clearing member. For example, if the total residual to be paid to a customer on a rounded average price for 10 contracts is \$83.333333, the clearing firm may pay to the customer \$83.33.

(11) Will a customer be able to obtain information regarding the actual execution prices of a trade that has been confirmed at an average price? Yes. The customer should contact the firm carrying the customer's account to obtain the actual execution prices. If the firm did not execute the trade, the firm will have to contact the executing firm to obtain the information.
